Next Steps and Anticipated Opening:

- Receive Certificate of Occupancy – This is first step we need to move forward with Life Safety Survey w/ VDH
- After LSS, State Survey must come on site to verify center is ready to take first residents. They will check supplies, staffing, and equipment
- Point Click Care software must be in place before taking first resident, which is in process currently
- Once first residents are admitted (private pay), State Survey must do on site initial licensure survey. If we pass with no issues, we will receive nursing home license and certification as a skilled nursing facility.
- Target for taking first Resident is Feb/Mar 2023
